I had Akashic Reading session with Parul ji. Before even the session began, madam clearly explained about the process, outcomes and resolutions. The experience in my session was truly amazing. I could find reasons for lot of my current happenings. Parul madam is friendly, helpful and a great guide. The best part is she is always available to hold our hand in the spiritual journey. Thank you madam for all your support. I wish you keep supporting people and help brighten their lives.

Blessed to have found Parul ma'am. She reaffirmed my faith in the power of spiritual realm. It was overwhelming to realise that our loved ones in the other world see us and feel our suffering. My key takeaway from the session was to manifest our loved one's presence around us and try to read the signs through meditation. Thank you for making the connection and being the medium for all those messages from the other side. The feeling can't be expressed in words and I remain extremely grateful for the guidance!

We had a divine experience with Parul ma'am yesterday. We connected with my brother ❤️ She could guess his name right, the cause of his death ✅, our special moments and even the responses were typically what we would have expected from him. There were 4 more spirits from our family.. We were happy to learn that he is well looked after there by our senior clan 💖 At the end of the reading, we all felt tremendously relieved and at peace!

Highly recommend it to everyone who is looking for closures with their loved ones from the other realm ☐
Thankyou for this magical experience ✨

I had an akashic reading session with Parul ma'am. Her ability to access and interpret my Akashic records was impressive and insightful. The information shared resonated deeply, providing clarity on my life's purpose and challenges. I felt emotionally supported and comforted throughout the session. Ma'am told me about the curse and karma blockages that I am carrying from my past lives. She also offered guidance and actionable steps to integrate the insights into my life.

The most insightful part for me was when she revealed specific detail or pattern from my Akashic records, which explained the current aspect of my life. I gained a deeper understanding of my soul's journey purpose.

Highly recommend ma'am for the readings.

At soul discovery, Parul ma'am is a great mentor, friend, guide who is there to help you, guide you and share her wisdom. It's been almost 5 years I know her and learnt multiple modalities from akashic Records to shamanic rituals. My full moon's are incomplete without our rituals done together ❤️. I AM SO GRATEFUL TO HAVE YOU IN MY LIFE AS A GUIDE. In fact products like Sage, candle, sprays are her speciality.

Loads of love for you. It's a pleasure to learn and work together as a team 💙❤️♥️

I am from Hyderabad and both me and my husband have been beneficiaries from Soul Discovery. First instance and interaction with Parul madam was so affirmative and energising that I joined the Akashic records program and my husband Vedic Astrology. We completed the course successfully but, we would like to make special mention of personalised attention to detail that Parul madam gives makes the journey with Soul Discovery so special... We recommend Soul Discovery with utmost confidence for an enriching learning in the field of HOLISTIC THERAPIES. 🌟🌸🙏

This was the first time my sister and I got a mediumship reading by Parul Ma'am, and honestly, this was one of the most profound things to have ever happened in our lives. The details Parul Ma'am shared were SO exact and specific (despite it being our first reading), that we just couldn't control our tears while speaking. Ma'am, thank you SO much for such a wonderful session. Definitely would be making another booking soon!

I took a psychic session from Parul maam and the reading was simply magical. Maam heard all my questions patiently and answered all of them. She exuberated so much positivity and radiance.I could comfortably discuss all my issues with her and she not only helped me with my questions, but brought forward so much information about my spiritual journey, how to walk on it and guided me very well. Certainly very lucky to have got a reading from Parul maam.

I recently had a Taro card reading from a wonderful and well known Psychic medium & Taro reader Parul Khanna ma'am. The experience getting reading from her was really awesome. She explains you the steps you need to take in detail. She accurately said what I love and my passion that I am going to pursue in near future. I felt very positive when she gave me a reading. I would positively recommend anyone who wish to take a Taro reading from her. She is a gem of a person. Gratitude, lots of love & power to you ma'am.

There are no words in comparison to what I received through this angel called Parul Mam! I took a personal appointment and spoke with a friend in heaven and she helped me get a closure. She was absolutely accurate, helpful, humble and polite. Parul Mam's aura is so infectious that I don't even miss any of her LIVE sessions and I follow her everywhere she goes (virtually). 😊

I know Parul Ma'am since three years now and have had a chance to interact with her, attend her meditative sessions, live sessions and above all do my Color Therapy course with her and her team member Sakshi. I have had the most pleasant experience with Soul discovery . Parul Ma'am and Sakshi have always been there to guide me through the course and my spiritual journey has been quiet enriching since the day I have been under their guidance . I would truly recommend all the services offered by Soul Discovery and extend my gratitude to Parul Ma'am and Sakshi for being a guiding force !

Parul maam has come into my life as an angel. She is the best - has helped me and my family in our darkest times. We went to so many people for help for years but every one led us the wrong way. Parul Maam came as a blessing to guide us, show us the right way and heal our family from the darkest times and show us the light. I think I would have done some positive karma in my past birth to have parul maam come into my life . I would highly recommend all the services from Soul Discovery !!

Thank you Parul maam !!

One word...Awesome..

I reached Parul Mam by luck and I must say I am very very thankful to her. She has so much positivity that in adverse circumstances also she brings hope. All the specialities she has as a healer, as a guide is very helpful and in 1 to 2 sessions only one can feel the difference. She is very patient and pays attention to each and every need that is required. I will advise everyone around me to go to her and feel the positivity themselves.

Hi! I was divinely guided to connect with Parul mam!! I met her only about 3 months back to enrol for a course with her. And today after completion of that course, while i write this feedback for her, i struggle for words! As there aren't enough words in which I can tell her how amazing she is as a Teacher, a nurturer. She will guide you and nurture you like a mother almost, so gentle in her approach and so so knowledgeable! Under her expert guidance I completed the course successfully and have been getting amazing feedbacks on my work! I love her, she is an amazing amazing person, a teacher so grounded, so reachable, so relatable. She goes out of her way 100% to make sure you learn what you signed up for and even if you reach out to her at odd hours, she will always always reply back. I love You Mam and you are an amazing amazing blessing of my life! Thank you for holding my hand and leading me to light!

I believe there are no coincidences. Everything has a reason. It is my good fortune that I came across Parul as I embarked on my journey of losing a loved one . She has been the light in my darkest moments . I have always believed in life after death, that only the body leaves . But Parul has truly shown me that , and made me stand my ground when I needed it the most . She has got across undeniable evidence of life after death . Her messages from my loved ones has been for me like water to a fish .

Parul is a beautiful soul , highly experienced, accurate, knowledgable, compassionate . She is very dedicated to her work . She gave me an amazing mediumship reading , which has been a great comfort to me and my son . I highly recommend Parul for all paths of your spiritual journey. She is a great mentor too . Truly blessed to have you in my life Parul . Always Keep spreading the love and light 💕😊

We get to see a lot of people & institutes offering such services around us but we are not sure about their authenticity or the effectiveness! Soul Discovery came in as a fresh breath of positivity and genuineness. The way that they understand your issues or your quest for learning is like none other. It's from the heart. There is no imposition of any kind or a feeling of 'We know it all & so you better surrender'. They genuinely listen & you take away the fruit of deliverance.

I would definitely recommend them. Rare to see such peace & serenity in a world full of people who boast of all things Godly! More Power to Soul Discovery! Good Luck Parul 😊👍

It was extremely comforting to talk to Miss Parul, as she helped us sail through the most darkest hours of our lives. For anyone grieving and wants to get connected to the departed soul, she is an angel connection between the 2. I have comforted in knowing things and do believe there is life after people passing away.

I can't thank you enough.
